This spacious ranch style family home has been exquisitely renovated.

The master suite is massive with a walk in robe, new ensuite and parents retreat. French Doors open to a cottage garden perfect for that morning coffee.

Two of the three other bedrooms are a good size with built in robes. The 4th bedroom has a walk in robe, full size bathroom and access to the large indoor swimming pool. The main bathroom is fully renovated with a separate bath, shower and vanity.

The kitchen is a chef's dream with a large amount of draws,
