

119/ Glenelg Nelson VIC

Water Site on the Glenelg River have become available:
(this is not land)

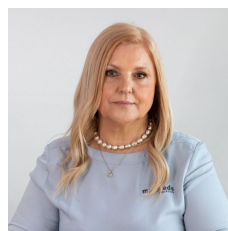

No 119, this site can only have a landing built on it. the
size of the site is 4.5m wide x 4.6 m long.

Perfect to have your very own private piece of the river.

Long hot summer nights spent fishing, BBQ's no more
fighting for that spot.

On the Donovan's side of the river, just back for the bridge
towards the ocean
