

154-156 Suttontown Road Suttontown SA

4 1 9

Malseeds Real Estate is pleased to present this 1890's stone cottage complete with cottage gardens it has all the charm of yesteryear, situated on 1/2 an acre on two titles.

The inside of the property exudes character with the country style eat in kitchen having plenty of cupboards and a large 900 freestanding gas stove.

The bathroom has been kept to reflect the era of the home with a claw foot bath and freestanding wash stand.

There are four bedrooms, 3 with built in's and the 4th has a built in desk that can double up as a study.

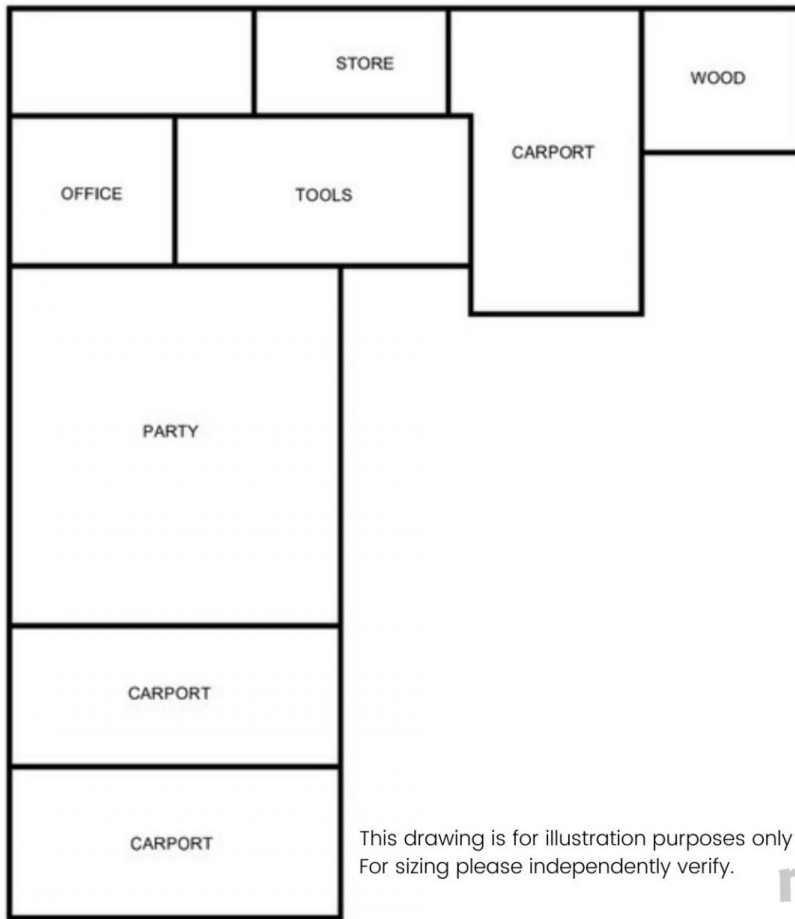

The living space is large, light and bright with a slow combustion heater for those cold winter nights.
