3 1 3

Malseeds Real Estate is pleased to present this beautifully presented, rendered brick home in Clarke Street, Penola. The home is in a quiet peaceful street, with traffic now diverted around the bypass routes. The outlook includes paddocks and rural views. The local Primary School is a short walk down the road, with the main street of shops just beyond that.

Entry from either the under main roof garage, or front door, takes you into the open living, dining and kitchen area. A bedroom at the front of the home can also be used as a large study or hobby room.

A central passageway leads to two good sized bedrooms with walk-in robes on the left. A separate bathroom with single spa bath, toilet and laundry are conveniently placed and practical.
